Glatfelter PEOPLE worldwide produce products that millions across the globe use every day—products that improve the quality of life. They also invest time and energy into the communities where they live, work and play. In pursuing excellence and personal growth through physical activity, Glatfelter PEOPLE in Motion empowers employees to make a difference. Under this umbrella, Glatfelter PEOPLE combine fitness with personal goals, contribute to the well-being of their communities and have fun while doing it. Following are examples of events around the world where Glatfelter PEOPLE improve their own health while encouraging co-workers and their families to participate as well—often for a good cause.
