## **Glatfelter enhances capabilities of Schoeller & Hoesch web site**

YORK, Pa. (August 01, 2002) – Glatfelter’s corporate marketing group announces the latest enhancement for [www.schoellerhoesch.com](http://www.schoellerhoesch.com).

We are pleased to announce the availability of both German and French language content for the entire Schoeller & Hoesch web site.

“This additional capability further allows Glatfelter and Schoeller & Hoesch to communicate globally, and supports our Vision to become the global supplier of choice in specialty papers and engineered products. We continue to assess multiple language content and enhancements as needed, and will do all that we can to provide information about our company, capabilities, markets and products in the major languages of the world.” stated Charlie Parsons, Director of Corporate Marketing.

Corporate marketing team members and business leaders from Glatfelter and Schoeller & Hoesch worked together with Wittsiepe & Kussmaul in München to develop all content, navigation and design.
