

Environmental Policy

Glatfelter's Vision is to be the global supplier of choice in specialty papers and engineered products. A core value of the Company is environmental responsibility. Accordingly, the Company is committed to:

- Empowering employees to take personal responsibility for awareness and control of environmental issues on the job.
- Complying with environmental laws and regulations and voluntary principles to which it subscribes.
- Practicing prevention of pollution by using natural resources efficiently, reducing waste, encouraging recycling and reuse, and reducing adverse environmental impacts that may be caused by its operations.
- Maintaining and continually improving an environmental management system with the goal of improving environmental performance.
- Practicing sustainable forestry on Company-owned lands as well as encouraging landowners we work with to manage their lands in a sustainable way.
