Dear Glatfelter People:

The Company is holding a special shareholder meeting to seek shareholder approval on several proposals related to changes to the Company's Articles of Incorporation and Bylaws to ensure our governance structure is aligned with market practices and recent U.S. Securities and Exchange Commission (SEC) changes. If you were a shareholder of Glatfelter stock as of September 26, 2022, **we ask you to vote your shares on the proposals for this special meeting prior to the meeting date of November 11, 2022.** As recommended by the Company's Board of Directors, **we further encourage you to vote FOR all the proposals outlined in the proxy statement.**

If you have not already, you will soon receive the proxy statement for the special meeting, which explains the proposals. If you hold Glatfelter shares in your own name as a holder of record with the Company's transfer agent (Computershare) or in the Company's 401K plan, you may vote your shares by attending the special meeting on the meeting website (www.virtualshareholdermeeting.com/GLT2022SM) or you can vote by proxy in advance of the special meeting and instruct the proxy holders named in the proxy statement how to vote your shares. You can vote by proxy in three ways as noted below. If voting via phone or Internet, please have your 16-digit Control Number which appears on your voting instruction form readily available:

1. By telephone at 1-800-690-6903;

3. By mail by properly completing and signing the proxy card received with the proxy statement and returning it promptly in the provided envelope (no postage required if mailed within the U.S.)

If you are a beneficial owner of Glatfelter shares, meaning your shares are held by a brokerage firm, bank or other nominee (i.e., in "street name"), you should receive directions from your bank or broker that you must follow in order to vote your shares. As a beneficial owner, you have the right to direct your broker, bank or other holder or record how to vote your shares by following the voting instructions included in the proxy mailing.
