ECHO® GLASSINE YOUR CHOICE FOR VARIOUS APPLICATIONS

GLATFELTER

Glassine's high transparency and grease resistance come from mechanical processing, not chemical treatment. This makes it tasteless and odorless, ideal for use in food packaging, baking solutions and envelope windows.

Exceptional color range with ECHO® Col

Package your sweets or be creative with our wide range of colored Glassine. Our standard ECHO® Col product range includes 12 different colors which can be embossed with Linen, Silkworm and Spiderweb or coated with a wax surface treatment (Slip Easy). On special request we can provide further substances and a broad selection of colors.
