FOOD PADS SOLUTIONS

Extend the shelf life and enhance the appearance of your meat and other food products. Our customizable packaging solutions provide the perfect absorption levels for each type of food.

YOUR ADVANTAGES

- With or without SAF (Super Absorbent Fibers)
- No use of super absorbent powder
- No need to produce pouches
- Range of absorption from 0.5 up to 12 l
- Best ratio absorption vs g/m²
- Low delamination
- Easy to laminate

SUSTAINABLE FOOD PAD SOLUTION

Our functional splices are special engineered to remain on the final product. Your advantage: reduced waste in the production process. Glatfelter Food Pad solutions are available as FSC® (FSC® C041205)* and PEFC (PEFC/04-31-2118)* certified.

FOOD PADS SOLUTIONS ENHANCING FRESHNESS. ENHANCING SHELF LIFE.

G L A T F E L T E R

Food pads help to minimize bacterial growth. This significantly extends the shelf life of products and reduces food waste. Our customizable packaging solutions offer various absorbency levels and processing options for specific foods.

Food Pad Applications

- Fruit pads
- Meat pads
- Poultry pads
- Fish pads
